ORDER GRANTING MOTION FOR PARTICULARIZATION  
OF THE PROHIBITED PRACTICE COMPLAINT

On June 28, 1977, the Board denied a Motion for Particularization of the Complaint filed by respondent Hawaii State Teachers Association (hereafter HSTA), because of said respondent's failure to file with its motion the affidavit required by Board Rule 1.08(g)(9)(1). On June 30, 1977, the HSTA filed the required affidavit. Accordingly, upon re-consideration, the motion for particularization is granted.

The Board directs the above-named complainant to serve upon the respondent one copy and file with the Board, with proof of service, the original and five (5) copies of the requested particularization of the complaint by 4:30 p.m. of the fifth working day after service of this order. If the complainant fails to timely file and serve the particularization, the Board shall dismiss the complaint.

The respondent is directed to serve upon the complainant one copy and file with the Board, with proof of service, the original and five copies of the answer by 4:30 p.m. of the fifth working day after service of the complainant's particularization.

If the respondent fails to timely file and serve the answer, such a failure shall constitute an admission of the material facts alleged in the complaint and the particularization and a waiver of a hearing.
